EXAM INFORMATION
This exam was developed to enable schools to award credit to students for knowledge equivalent to that learned by students taking the course. This exam covers topics including ethical religious traditions and analysis in various relationships, embryonic stem-cell research, euthanasia, affirmative action, and capital punishment.

The exam contains 100 questions to be answered in 2 hours.

Form Codes: SN474, SP474, SY474, SZ474

REFERENCES
Below is a list of reference publications that were either used as a reference to create the exam, or were used as textbooks in college courses of the same or similar title at the time the test was developed. You may reference either the current edition of these titles or textbooks currently used at a local college or university for the same class title. It is recommended that you reference more than one textbook on the topics outlined in this fact sheet.

You should begin by checking textbook content against the content outline provided before selecting textbooks that cover the test content from which to study.

Sources for study material are suggested but not limited to the following:

SAMPLE QUESTIONS
All test questions are in a multiple-choice format, with one correct answer and three incorrect options. The following are samples of the types of questions that may appear on the exam.

1. Which of the following thinkers evaluates the morality of actions in terms of the amount of pleasure and pain they produce?
   a. Aristotle
   b. Kant
   c. Bentham
   d. King

2. According to which of the following philosophers is it immoral to commit suicide?
   a. The hedonist Epicurus because suicide decreases one’s pleasure
   b. The stoic Epictetus because suicide is contrary to nature.
   c. Kant because persons who commit suicide treat themselves as a means only
   d. Mill because suicide never maximizes utility.

3. For a utilitarian, the ethical evaluation of a decision to tell a lie will NOT depend on whether the
   a. person to whom the lie is told will benefit from the lie
   b. person telling the lie would mind someone else lying to him or her
   c. person telling the lie will suffer if the truth is told
   d. lie will cause suffering to third parties

Answers to sample questions:
